

## Why Apologetics?

Do you have a desire to deepen your faith and build your confidence in sharing that faith with others? **ARE YOU READY** with a well-informed and gentle answer for the hope that is in you? What is that hope?

*...always being prepared to make a defense to anyone who asks you for a reason for the hope that is in you 1 Peter 3:14-17 .*

In these verses we see that we will suffer for living a life pleasing to the Lord. But we are not to be troubled. We are to be ready, however, to give a defense for the hope that is in us. We are to honor the Lord in all that we do. *Defense* comes from a Greek word, *apologia*, meaning to make a well thought out defense, as if going to court to present a case. Being ready to make such a defense, whether in our workplace, our school, or our neighborhood, is a choice we make. How ready are you to stand firm with confidence in a society that increasingly is antagonistic, and at times out right hostile to your hope, to your answer, to your faith? A journey of learning begins with a first step. To help you, to help us, take that first step, Dr. Daniel Janosik from Southern Evangelical Seminary will be here Friday and Saturday to present a seminar on apologetics on behalf of Faith Bible College.

## What is Faith Bible College?

Since 1995, Faith Bible College (FBC) has provided biblical education with academic excellence from the perspective of conservative, evangelical Christianity. The goal of FBC is to enhance the biblical knowledge, spiritual maturity, and ministry skills of those desiring to know God and to make Him known to others. Students are encouraged to pursue a program of study that culminates in a one-year Certificate or a two-year Associate Degree in Biblical Studies. Individual courses are also available to develop a richer understanding of the Bible.

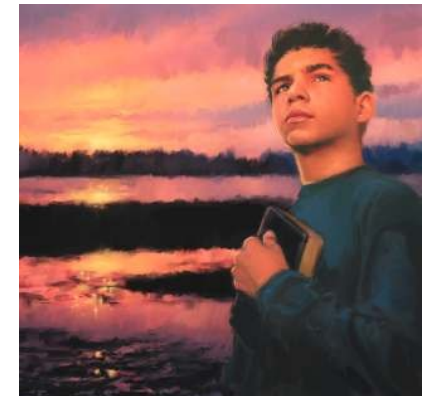

Faith Bible College is located in Norfolk, Virginia, and provides many opportunities for the practical application of ministry skills in an urban setting. The College also prepares men and women for service in missions both in the United States and overseas. A small ratio of students to faculty facilitates in-depth classroom discussion.
